### **\$MONEY\$**

We know that finances are always an issue, especially if you plan on sending more than one child to camp. Consider the following plans to help ease the strain on your pocketbook:

**\*Aurora bucks are available through Sarasota Christian Church** and can save families anywhere from \$25-\$100 on the price of camp. Discounts are based on the total price of camp. Any student is eligible for these discounts. SCC's online Aurora Buck code is SARCHSARA. Contact Jody or Jonathan for complete information regarding Aurora Bucks.

\*Start putting away money now. Paying just \$20-\$30 a month towards your child's bill will really add up over the next 3-4 months.

\*Have your child ask neighbors and family members for age appropriate jobs around the house or yard, in exchange for dollars toward camp.

\*If your child has a summer birthday, consider camp tuition as part or all of his "gift".

**TRANSPORTATION:** Transportation to and/or from each week of camp (excluding July 25-30th H678) will be available on a limited basis to those who request it first.
